Hi Dyanne,

Thank you for reaching out to our office. I have received your email, we are in the process of scheduling a service day for our homeless neighbors on the streets.

I am available to schedule a call and discuss if you have the time.

Thank you again for reaching out to our office. I look forward to talking to you should you want to have a productive discussion.

You know what this feels like an automatic message you send out and dont believe a word. I don't live in skid ROAD n pay high rent. This city does not give a flying fuck out our kids who have to walk by these disgusting pigs and we don't know if they are unregistered child molesters or a rapist. These HOMELESS don't give a fuck and you guys encourage their BEHAVIOR by allowing them to put their shit wherever they want piss n shit their n invade our good descent NEIGHBORHOODS its FUCKIN ridiculous
